PRESS COMMUNIQUE.

Fort St. George, July 14, 1921.

No. 2.—In connexion with the selection of Indian candidates for admission to the Royal Military College, Sandhurst, with a view to their qualifying for King's Commissions in the Indian Army, it is proposed to hold the next examination in Simla on the 20th September 1921. The following information is published for the use of intending candidates:—

(1) Candidates must be between the ages of 17½ and 19 on the 1st January 1922, but the upper age limit will be 21 on the 1st July 1921 for candidates who were serving satisfactorily in His Majesty's Forces on or before the 1st January 1920, or in the Senior Division of the Officers' Training Corps on or before the 1st March 1919. Candidates must state their age *definitely*.

(2) Candidates must be prepared to pass a qualifying examination. The detailed syllabus of this examination is printed as an appendix to this notification. The general standard required is that prescribed for the diploma of the Chiefs' Colleges, a school-leaving certificate recognised by a Local Government, the Matriculation of an incorporated University or any higher examination.

(3) Candidates satisfying the educational standard prescribed in paragraph (2) will undergo a special test consisting of an oral examination conducted on the same lines as the Admiralty test of candidates for admission to the Royal Naval College, Osborne. This examination which is designed to test the intelligence and general knowledge of candidates will be conducted by a Board of officers.

(4) A medical examination, according to the standard laid down in Appendix 18 of the Regulations for the Army Medical Service, 1908, will also be held in Simla. Candidates should attach to their applications a medical certificate from a *competent medical officer* to the effect that they come up to the standard mentioned above.

(5) The cost of first-class railway fares, to and from Simla, of candidates selected to attend these examinations will be defrayed by Government.

(6) The Government of India will defray the cost of passage (first class) granted to cadets travelling to and from England on duty. This will also include the payment of one first-class fare by rail to and from the port of embarkation and disembarkation in this country.

(7) The fees payable by the parents or guardians of cadets at Sandhurst will be as follows:—

	£
Ordinary fees two years at £75 per annum	150
Contingent expenses towards cost of uniform, books, library, recreation, etc.	100
Pocket money at £3 per mensem	72
Vacation expenses 30 weeks at £5-5-0 per week	157
Extra pocket money during vacation at £3-3-0 per week	65
Sundries	150
Total ..	710

The expenses of the cadets will, so far as can be foreseen, be kept within the above limits, but the parents or guardians of the cadets must be prepared to pay any excess over these amounts. The above sum does not include anything for European kit on arrival in England other than the amount required for College uniform. For such European kit from £100 to £200 should be provided. Nor does it include anything for the cost of outfit on being commissioned, which it is not anticipated will be covered by the outfit allowance granted by the War Office to cadets on leaving the College.

Parents or guardians of selected candidates are required to remit the sum of £650 punctually at the beginning of each year of Sandhurst course to the Government of India for transmission to the India Office through the London Account Current.

(8) Indians selected for scholarships will be subject to such rules and regulations as are ordinarily made from time to time for the maintenance of order and discipline at the College.

They will, while at the Royal Military College, belong to the ordinary College Mess. No special messing arrangements can be made on their behalf.

Cadets will wear the uniform of the College, but will be allowed their national head dress should they so desire.

They will not be allowed to take servants or personal attendants of any kind to the College.

(9) One of the rules for admission to the Royal Military College is that a cadet should be unmarried. This rule will be waived in the case of Indian candidates, but in no circumstances will a cadet be allowed to take his wife or family to England.

(10) The present course at the College lasts 18 months. As it will be impossible for cadets to return to India during the vacations, arrangements will have to be made for their accommodation in England during these periods, either by their parents or guardians or by the India Office on behalf of the latter.

(11) Cadets from India will have to qualify in the ordinary passing out examination and will, on qualifying, be eligible for King's Commissions. Before being passed as fit for a commission, they must be certified to be in good mental and bodily health and free from any physical defects likely to interfere with the performance of their military duties. Those who are successful in obtaining commissions will enter the Indian Army as Second-Lieutenants.

(12) The Private Secretary to His Excellency the Governor of Madras, to whom applications should be made not later than 22nd July 1921 will intimate to the selected candidates the fact of their selection. No applications received after the 22nd July will be considered.

(13) Intending candidates should submit their application in the form below :—

2. A candidate must also obtain two-thirds of the total marks (i.e. 500) in order to pass the examination.

1. Formerly this examination was conducted by Thomason Civil Engineering College, Roorkee, the Bengal Engineering College, Sibpur, the College of Science, Poona, and the College of Engineering, Madras. For the future it has been arranged to entrust it to a single examining body, viz., the Bengal Engineering College, Sibpur.

2. The following are exceptions to this rule:—

(a) Persons who have passed the Senior Examination in Book-keeping of the London Chamber of Commerce and the Advance Stage Test of the Royal Society of Arts and who hold a certificate of having passed the Matriculation Examination of an Indian University or any other examination of a similar standard of general education, are eligible for appointment as Divisional Accountants without further examination.

(b) Persons who have passed in both (1) the Matriculation and (2) the Commercial Diploma Examinations of the Allahabad University, and obtained a minimum of 50 per cent of full marks in each of the marginally-noted subjects and two-thirds of the aggregate marks for these three subjects, are eligible for appointment to the Divisional Accountants' service without further examination.

(1) English .. .. ..
(2) Mathematics .. .. ..
(3) Book-keeping and Accountancy of the Commercial Diploma examination.
} Of the Matriculation examination.

(c) A graduate of an Indian University may be exempted by the Accountant-General of the Province from the examination, except in Book-keeping, if the latter is satisfied that the candidate is an accurate and quick arithmetician.

3. This examination is held during the second whole week of January at the Bengal College of Engineering, Sibpur, and at the offices of the Accountants-General, Madras, Bombay, Bihar and Orissa (Ranchi), United Provinces (Allahabad), Punjab (Lahore), Burma (Rangoon), and Central Provinces (Nagpur), and the Comptroller, Assam (Shillong).

4. Other centres of examination may be fixed by the Accountant-General, provided that the number of candidates is sufficiently large and suitable arrangements can be made for the conduct of the examination under the supervision of a gazetted officer.

5. Only candidates whose age does not exceed 24 years on the date of the examination are eligible, but persons holding permanent pensionable appointments in Government service may be permitted to undergo the examination up to the age of 29 years.

Note.—The age limit of 29 years for candidates in Government employ will come into force with effect from the year 1924.

6. The candidate should apply to the Accountant General of his province not later than two months before the date fixed for the examination, stating the centre at which he wishes to be examined and enclosing a fee of Rs. 12 and the following certificates and a registration form:—

(i) Certificate of good character signed by the candidate's immediate official superior, by the instructor under whom he has been educated, or by some other superior under whom he may have been brought up or employed or to whom he may be well known. This certificate must have special reference to the two years immediately preceding the date of the application.

(ii) A duly verified statement of age, e.g., a baptismal certificate, a birth certificate, an affidavit signed by the guardian or a relative of the candidate before a magistrate, or an attested extract from the service book if the candidate is already in Government employ.

The application should be written by the candidate in his own handwriting, and the certificates (which will not be returned) should be submitted in original.

7. The registration form should set forth the following particulars:—

(1) Name of candidate (including Christian or personal names in full).

(2) Father's name (in full).

(3) Nationality or class (i.e., European, Anglo-Indian or Indian) of candidate and if Indian, caste or tribe.

(4) Date of birth.
(5) Place of birth
(6) Present address
(7) Examination passed.
(8) Signature of candidate.
(9) Thumb mark of candidate, left hand, to be made in the presence of a well-known responsible person who knows the candidate.
(10) Signature, designation and address of abovementioned witness (with date).

Note.—A candidate already in Government service should, in like manner, submit his Application through his immediate official superior.

8. Applications which do not satisfy the requirements of the foregoing rules should be rejected without entering into further correspondence with the candidates. Other applications will be considered on their merits by the Accountant-General whose decision as to whether or not the candidate should be allowed to appear for the examination will be final.

9. At least one month prior to the date fixed for the examination, the Accountant-General should forward to the Principal of the College for registration a statement showing in respect of accepted candidates only, their names, ages (as on date of examination), and addresses and the centres where they are to be examined. This statement should be supported by the accepted candidates' registration forms duly signed by the Accountant-General in token of acceptance, which should be carefully preserved by the Principal.

10. Simultaneously each candidate should be informed whether or not his application has been accepted

11. The fees of accepted candidates should be deposited by the Accountant-General at the local treasury to the credit of the Principal and those of rejected candidates should be returned to them by postal money order at their cost.

12 As each examination is complete in itself, a candidate who has failed in an examination and presents himself for an examination on a subsequent occasion, must undergo the full examination and furnish a fresh fee with fresh certificates and registration form. If from any cause the candidate fails to appear for the examination the fee paid will not be refunded, nor will it be placed to his credit for any subsequent examination.

13. Examination papers for registered candidates only will be sent by the Principal to the officers conducting the examination in time for the fixed dates.

14. The examination will be held at all the centres simultaneously under the supervision of gazetted officers on the dates and at the hours fixed by the Principal, which should be communicated by the Principal direct to the registered address of each accepted candidate by registered post.

15. The results of the examination will be declared by the Principal within three months after the examination and communicated direct to each examinee, showing only the marks gained by him in each subject and the order of standing in the case of successful candidates A few printed copies of the complete results of successful candidates only, showing (1) order of merit, (2) name (in full), (3) father's name, (4) age, (5) examinations passed, (6) marks gained in each subject and in the aggregate, and (7) address, should be forwarded to each Civil Accountant-General to enable him to maintain lists of passed candidates

16. It must be distinctly understood that the passing of this examination does not give any claim to appointment as a Divisional Accountant, and that applications for appointment should not be addressed to the Principal. The passing of this examination is a necessary qualification, but the establishment of Divisional Accounts is mainly recruited by selection from amongst qualified clerks actually employed on accounts duties in the divisional and subdivisional offices of the Public Works Department or in Civil audit offices. A small number of graduates of Indian Universities and other persons of superior and special qualifications who may have passed this public examination, may, however, be appointed direct by the Accountant-General (*vide* paragraph 4 of Appendix A).

17. These rules may at any time be amended or revised by the Auditor-General who reserves to himself the power to grant exemptions from this public examination in very special cases. No general revision of the rules affecting the subjects of the examination or the necessary qualifications of candidates will be enforced until three years have elapsed since the date of such revision.

REVENUE NOTIFICATIONS.

In exercise of the power conferred by the proviso to section 182 of the Sea Customs Act as amended by Acts IV and XII of 1914, the Board of Revenue as the Chief Customs Authority hereby authorises the Assistant Collectors of Customs at the Port of Madras to exercise the powers indicated in section 182 (a) of the Sea Customs Act in respect of all cases adjudged by them under section 167 (17) ibid, provided that no penalty exceeding the duty chargeable on the missing packages shall be imposed without the prior sanction of the Chief Customs Officer.

Board (Separate Revenue), Madras,
9th July 1921.

No. 10.—In virtue of the powers delegated under clause XI of Government Notification No. 435, dated 13th July 1896, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, and in supersession of Board's notification No. 8, dated 13th July 1920, the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1921 :—

(1) The villages in the Agency division specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjengo, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately ;

(*b*) of persons having the exclusive privilege of manufacture and supply of cocoanut toddy arrack as foreign liquor ;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken ;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency Division specified in Schedule I, in the Godavari district, in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, and in the Repalle and Bapatla taluks of the Guntur district for not more than five trees in the case of tree-owners and three trees in the case of sweet toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale ;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory ;

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State ; and

(*g*) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each house-hold for domestic consumption but not for sale.

In cases (*a*), (*b*), (*d*) and (*e*) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (*c*), (*f*) and (*g*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkari and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped ; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer ; if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T.T. 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner of the trees intended to be marked, in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the sums when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the licence. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district, in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency division specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadaval (*Areaga Wightii*) trees in South Kanara, tree tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for:—

Districts.	Coconut palms (for each half-year as defined in rule 11 above).	Sago palms (for each half year as defined in rule 11 above).	Palmyra or date palms (for the whole year as defined in rule 11 above).	Dadaval (*Areaga Wightii*) palms (for the whole year undefined in rule 11 above).

Note.—The tree-tax payable by the hill tribes in the villages mentioned in Schedule II shall be paid in one instalment at the time of application.

14. Every instalment of tree-tax shall be paid on the first day of the month in which it falls due.

15. For the convenience of applicants, applications will be received from 1st September or 1st March; but no trees will be marked, nor licences issued, nor preparation of spathes permitted before 16th September or 16th March; nor shall pots be attached to trees before the evening of the 30th September or 31st March, as the case may be. In the case of 'Kodaipalai' palmyra trees tapped at concession rates in the Tinnevelly subdivision, marking will be allowed from the 25th July. In the case of date trees the process of preparation will be allowed from the 15th September but the incision required for the insertion of the drip leaves will not be allowed before the evening of the 30th September. In no case shall toddy be drawn except during the currency of the licence.

16. All toddy drawn under the tree-tapping licences granted in accordance with these rules shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct to a distillery or a licensed toddy shop under a general transport permit which will be granted gratis by the Inspector. In the South Kanara district when a licensee desires to change the shop to which his toddy is to be taken, the permit will be amended on application and on prepayment of two annas in addition to the court-fee stamp of the value of one anna to be affixed to the application. No toddy drawn under these rules shall be sold otherwise than to a licensed distiller or shopkeeper except at a regularly licensed shop. Tree-foot sales or sales in the open are absolutely prohibited.

17. Between sunset and sunrise no toddy shall be drawn or kept by a person holding a licence under these rules in the garden or field in which stand the trees which he is licensed to tap, except the toddy contained in the pots attached to the spathes of the trees, provided that the Commissioner of Salt, Abkari and Separate Revenue may, on sufficient cause being shown, relax the restriction in any local area.*

* In the Madras Town Circle jaggery and date toddy may be drawn as early as 4 a.m.

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE.

No. 29.] MADRAS, TUESDAY EVENING, JULY 19, 1921. [PRICE, 1 anna.

SALT, ABKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No 2, *dated* 14*th July* 1921.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency including the Banganapalle State and the toddy farms of 132 villages of the Parlakimedi Maliahs of the Ganjam district will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1921 and ending 30th September 1922. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom the auction sales will be conducted will be notified by Collectors in their District Gazettes. The Collector of Ganjam will notify separately the special conditions applicable to the toddy farms in his district. A separate notification will be issued regarding operations under the tree-tax system.

Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Kurnool district, the selling officer may, when he finds it necessary, require a deposit of Rs. 10 from bidders for toddy shops. In the South Kanara district, the selling officer may, at his discretion, reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 500 and to Rs. 10 in the case of bidders for single small farms.

II. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power of attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of license or of a contract under the $\frac{\text{Abkari}}{\text{Opium}}$ Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or in arrears to Government; (3) that his bid is purely speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop, or of a neighbouring village; (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; (6) that he is a brewer bidding for beer shops; (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken or the shop resold at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a

month's rent (in addition to the deposit made under clause I) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause I will be forfeited and the shop or farm will be put up again immediately by the sailing officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop or farm in the sale then in progress.

VII. Any person to whom a shop or farm has been knocked down and who has made deposits as provided in clauses I and VI shall also deposit, in cash or approved security, within two days from the date of communication of the Collector's acceptance of the bid, such further sum as with the former deposits will make up two months' rent and shall without unnecessary delay take out a licence on the conditions hereinafter set forth. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is requested to deposit twice that sum under clause VIII infra.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause VII supra, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 57, Schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000. In all cases where sureties are demanded the licensee shall be bound to execute a counterpart agreement.

IX. On the failure of any person to make a deposit or take out a licence under clause VII or to comply with any requisition or to execute any engagement under clause VIII supra, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer on a date to be notified by the Collector or may be otherwise disposed of by the latter officer. Resales under this clause will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

X. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him.

XI. The deposits referred to in clause VII or VIII may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities or by depositing Postal Savings Bank pass-books. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required, as in the circumstances of the market he may think necessary. The securities or Savings Bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books will be returned upon payment of the full amount of the kists due in cash unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under clause IX of the conditions of auction sale or under condition 37 of the General conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under conditions 10, 11 or 41 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the licenses. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside these limits is prohibited.

3. Sales under any abkari or opium license must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Salt, Abkari and Customs Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case

of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop shall be opened before 9-30 a.m. Toddy shops in Salem town shall not be opened before 6 a.m. No other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Toddy shops in Salem town shall not be kept open after 6 p.m. Collectors may at their discretion order the closure of any depot at sunset and may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Board may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) Collectors are authorized to notify at the time of the auction sale that specified shops will be closed on the occasion of specified festivals and that the hours of sale at specified shops which are situated within a mile of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness. Discretion is also allowed to Collectors to order the closure of specified shops in the neighbourhood of factories, mills and other places where large numbers of operatives assemble on week days from 11-30 a.m. to 1-30 p.m., on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. The Collector of Salem is authorized to order the closure at 12 noon on Tuesdays, of toddy shops within five miles of the Salem Municipality, the names of such shops being specified at the time of the auction. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licenses granted to the renters of all such shops.

11. Depots and shops situated on or adjacent to line of march must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall on his motion close his depot or shop when there is a riot or disturbance in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any depot or shop and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(1) to sailors of the Royal Navy, soldiers and members of their families; or

(2) to any other person living in barracks;

(b) (1) to persons whom a vender knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise officers and Railway servants when on duty; or

(c) in any circumstances to any—

(1) European vagrant under escort of the Police;

(2) child or young person under eighteen years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

Note.—The restrictions in (a) and (b) do not apply to soldiers, their families and followers when they are absent on leave from their regiments.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers as firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

* For liquor shops—vide Board's Notification No. 4, dated 24th January 1921 and Notification No. 13, dated 16th July 1921.

† For opium shops in the Agency division a uniform rate of 13 annas a tola has been fixed.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the minima prescribed.

19. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkari and Separate Revenue shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct.

Unless special permission is given to the contrary, separate accounts shall be kept for the transactions under each licence. The accounts shall be in printed books which may be obtained from local Revenue officers on payment of cost price. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed in support of the accounts. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the licence and shall be produced when called for by an officer not below the rank of an Assistant Inspector of the Salt, Abkari and Customs Department.

24. Except in the case of fixed fee licences, the amount for which the privilege of sale has been purchased shall be payable in twelve equal monthly instalments into a Government treasury on or before the 10th of each month beginning with April or October as the case may be. Interest will be levied on any amounts not so paid and after the 25th of the month in Madras town or the 20th of the month elsewhere shops are liable to be sold for failure to pay kists. Toddy shops may also be resold for failure to pay tree-tax. Fees for depot licences must be prepaid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Power is reserved to Revenue officers to suspend licenses in case of failure of payment of kists or in the case of toddy licences of tree-tax on the due date. In the case of arrack, toddy, ganja and bear shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a licence for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the license to the new purchaser, or otherwise disposed of at the Collector's discretion. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be liable to forfeiture. The officer who has power to suspend the licence may at his discretion allow sales to continue pending resale or other disposal of the privilege.

27. No privilege of supply or sale shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

28. (a) No abkari or opium licensee in a Native State or Foreign territory will be allowed to have any interest in a licence for the same article in a British district without the special permission of the Collector.

(b) No abkari or opium licensee in a British district where a low rate of duty is in force will be allowed to have any interest in a licence for the same article in any adjacent British district where there is a higher rate of duty, without the special permission of the Collector.

29. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licenses.

30. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or intoxicating drugs, committing breaches of the Abkari laws and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

31. Pecuniary dealings by licensees of any kind whatever with officials of the Salt, Abkari and Customs Department are absolutely prohibited.

32. With the sanction of the Board of Revenue, any license shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

33. All licensees shall be bound by any additional general rules that may be prescribed under the Abkari laws and shall, if so required by the Collector or any officer authorised by him, deliver up their licences for amendment or for the issue of fresh ones.

34. The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Salt, Abkari and Customs Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test the weights, measures, liquor, opium or intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

36. An inspection note-book, with pages numbered consecutively, shall be maintained for the use of inspecting officers and shall be handed over to the Inspector of the circle or to any officer authorized by him to receive it on a receipt being given therefor.

37. An infraction of any of the conditions of the license either by a licensee or by any person in his employment will render the licensee liable to—

Either (a) fine up to Rs. 50;

or (b) cancellation of licence and resale or other disposal of the privilege at the risk of the licensee and, if considered necessary by the Collector, forfeiture of deposits;

or (c) prosecution of the licensee or his agent for the specific offence committed.

The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a licence, continuing fines may be imposed.

38. Any licensee may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Abkári Act, or of any offence under the Indian Penal Code, which in the Collector's opinion renders him unfit to hold it, or if it is brought to the notice of the Collector that the licensee has been convicted prior to the issue of a license to him before a Magistrate of any of such offence. Opium

39. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act on an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

40. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

41. Collectors may at the commencement of the lease order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. A Tahsildar may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

42.
